

## **Family and Senior Session Options**

### **Family Portrait Session Only**

**\$80**

With this session we will spend about an hour capturing several images with different poses and setups. We can do the session at your home (in the back yard), at a local park, or we can go to Folsom Lake. Please make sure to indicate where you would like to do the session and, if possible, please provide an accurate address.

No prints are included in this package. This allows you to customize your order, choosing your prints a-la-cart. Proofs from the session will be available online as soon as the images are complete, so you can choose your favorites, and buy more prints. You may also choose to buy your images on DVD for an investment of \$300.
